Health researcher and product developer, Burk-Elder: Hale, Third is offering an immediate reward of \$1,000,000.00 in gold for anyone registering for this reward and proving without any doubt that Bionaid™ and ZeoHeal™, when used properly and in accord with dietary protocols established by Burk-Elder: Hale, Third, are less safe and effective than all vaccines or drugs currently used in supporting the immune system so that the human body can be free of harmful pathogens that cause illnesses that may lead to a pandemic. *Burk-Elder: Hale, Third maintains that misleading vaccine propaganda by the mainstream media inciting pro-vaccine proponents against natural alternative proponents must be stopped, and that this challenge will reveal the truth that vaccines are not the most safe and effective alternative.*

All challengers registering for this reward agree to allow Burk-Elder: Hale, Third and/or his assigned representatives and technicians to observe all aspects of the testing procedures, resultant test data and test subjects used as proof to substantiate their claims against Bionaid™ and ZeoHeal™ at all times.

All challengers who fail in proving without any doubt that Bionaid™ and ZeoHeal™, when used properly and in accord with dietary protocols established by Burk-Elder: Hale, Third, are less safe and effective than all vaccines or drugs currently used in supporting the immune system so that the human body can be free of harmful pathogens that cause illnesses that may lead to a pandemic shall pay Burk-Elder: Hale, Third \$1,000,000.00 in gold immediately. Challengers have 120 calendar days to provide their proof.

Burk-Elder: Hale, Third.
